## Rapid Broadband Kit

### Secure, Reliable & Portable Connectivity

### Connectivity anywhere

Suitable for instant Internet access, even in remote locations where a fixed-line broadband solution would take months to install.

### Robust & rugged

Built for a working site, the RBK is durable enough to perform in tough environments. Made with an IP67-rated case.

### Increase productivity

No more walking around trying to find signal. Simply power on and connect to secure and fast Internet.
