

## POWER OUTAGE INSURANCE

A bespoke power outage contingency service. Delivering a generator to your business within 4 hours\*. Ensuring your business doesn't stop, even if your electricity does.

- ✓ 24/7 Call-Out
- ✓ Annual Coverage
- ✓ Delivered in 4 Hours\*
- ✓ Emergency Response

## HOW IT WORKS

### Location Assessment

Our expert team will come to your premises and thoroughly check your specific requirements for power generation.

### Action Plan Map Out

A documented plan of action will be completed. A generator size will then be selected for your application.

### You're Covered

In the event of a power outage, we will deliver the specified generator to your site within 4 hours.
