## Who We Work With

### Case Study: B&Q

Read our case study to find out how we work closely with our contract customer B&Q and use our expertise to provide a dedicated, bespoke and comprehensive hire service.

"Without exception, WowNow Hire have been able to demonstrate their ability to deliver quality Powered Access solutions to each and every store location, under a strict Service Level Agreement with an impressive success rate. On-time deliveries, mechanically sound machinery and high-quality presentation of MEWPs have been our highest priority and WowNow Hire has consistently shown success rates for each of these key indicators of over 99% during the duration of the contract."

James Leggett – B&Q, Purchasing Manager

### Case Study: Cloud FM

Cloud FM needed a single source UK-wide solution with guaranteed supply however challenging the request. They also wanted to ensure they had 24-7 supply, support and coverage. Cloud FM chose to enter into a Managed Service Contract with WowNow Hire that committed each party to a long-term partnership with shared objectives.

"Always a pleasant and professional experience when dealing with our supply chain partners over at WowNow Hire. Becky and her team offer a high level of customer service and will always endeavour to help us out on ad-hoc tasks as best they can. Happy to recommend them to others within the industry."

Ross Hunt – Cloud FM, Field Operations Support Manager
