

## PRE-PLANNED GRITTING SERVICE

WowNow Hire's planned gritting service specialises in gritting car parks, roads and pedestrian areas, ensuring our clients' facilities remain safe and open for business at all times.

- ✓ Pre-planned gritting service to proactively manage your site(s).
- ✓ Automatic gritting response, activated by ground temperatures.
- ✓ We'll keep your site safe with gritting and snow and ice removal.
- ✓ We remove any regulatory and compliance pressures.

## HOW IT WORKS

### Location Assessment

We will perform a site survey to digitally map out your site and agree on gritting areas.

### Action Plan Map Out

A bespoke documented plan of action will be completed.

### You're Covered

Automatic gritting response in the event of ground temperature activation.
