## Who We Work With

### Case Study: B&Q

Read our case study to find out how we work closely with our contract customer B&Q and use our expertise to provide a dedicated, bespoke and comprehensive hire service.

"Without exception, WowNow Hire have been able to demonstrate their ability to deliver quality Powered Access solutions to each and every store location, under a strict Service Level Agreement with an impressive success rate. On-time deliveries, mechanically sound machinery and high-quality presentation of MEWPs have been our highest priority and WowNow Hire has consistently shown success rates for each of these key indicators of over 99% during the duration of the contract."

James Leggett – B&Q, Purchasing Manager

### Case Study: Cloud

"Cloud has had the privilege of collaborating with Wow Now Hire for several years. In the fiercely competitive business landscape of today, exceptional service has become an exceedingly precious rarity. The remarkable team at WowNow Hire stands out with their unparalleled responsiveness in meeting our requirements, ensuring timely equipment delivery and collection to our SLA."

Working with a provider that consistently upholds the highest standards of excellence has been an absolute delight. This is precisely why we wholeheartedly recommend Wow Now Hire to our entire supply chain. We have the utmost confidence that their unwavering commitment to excellence will never be the bottleneck preventing us from delivering our exceptionally high standards of customer service to our valued clients."

Neil Henderson - Client Services Director at Cloud
